

DOT Navigator

About the DOT Navigator

The DOT Navigator is a new resource to help communities understand the best ways to apply for grants, and to plan for and deliver transformative infrastructure projects and services. Whether it's the first time you're applying for a DOT grant or you're looking for more technical details and guidance, the DOT Navigator can help get you started.

We'll continue to update the DOT Navigator and welcome your input on essential information to help you apply for grants, identify existing resources, and answer questions on how to connect with funding opportunities provided through President Biden's Bipartisan Infrastructure Law (BIL).

This site will evolve over time. Its pages provide general information to develop grant applications and understand frequently required documents, contacts to DOT regional and field offices, and a searchable menu of technical assistance resources available to help new and repeat grantees to realize their communities' vision for moving goods and people safely, efficiently, sustainably, and equitably.
